Dear Sirs:

Mr. Herman Lissner of this city will present this letter in person during his visit to London.

I am sure that you will be kind enough to grant him an interview and give him the opportunity to learn something of the plans of English Jewry as to the future activities to be undertaken for the further relief of our brethren in the various war zones.

Mr. Lissner has been very prominent in all Jewish activities in our city and, especially, has himself been a generous contributor to our War Relief funds.

You will therefore appreciate our desire that he may have every opportunity possible to get into touch with the Jewish situation in your country.

Again assuring you of our deep appreciation of your never failing courtesy and kindness,

Yours very truly,

SECRETARY, Joint Distribution Committee.
